The Snooper Booster is great for service technicians and service writers. Most managers will allow a tab to be pulled for up selling tickets or add-on sales. Usually one pull for every so many dollars (such as 1 pull for every \$100). It is always an \$85.00 payout plus the jackpot. The jackpot is determined by the department manager. The \$85.00 is paid in these payouts: 29 @ \$1.00; 13 @ \$2.00; 5 @ \$3.00; 3 @ \$5.00. When all pulls are complete, the jackpot strip is pulled and will reveal a number between 1 & 50. The name that is on that line wins the jackpot.

707

"Creative" is the key word. This is a great board for both service and sales. The service department can use lower values and sales can use higher values since they are selling bigger tickets. In some cases the values can be changed every day according to the sales needs for the period! Under each pull-off there is a letter. Either a "C"(36), "A"(9), "S"(4), or "H"(1). The department manager determines the values of these, either for the whole board or daily.

When you purchase automotive forms and supplies from a single source — like us — it makes sense, saves money, and yields consistent benefits — for you.

What benefits?

- **Low Shipping Costs:** Order all items from one source, track and receive fewer parcels, pay a lot less, and reduce shipping costs. We'll deliver — fast, efficient, and reliably.
- **Strong Relationships:** As we gain your trust, you gain time to improve quality, efficiency, and overall performance — and that helps your business grow.
- **Better Pricing:** One supplier with a larger share of your purchasing means big savings that we pass on to you. It's just good business.
- **Lower Administration Costs:** Having one good partner, rather than several, saves money by consolidating! Fewer meetings, calls, e-mails, and less paperwork = more money in your pocket. It's simple math.
- **Reduced Purchasing and Processing Costs:** It costs less to process one purchase order than it does five. It costs less to process one invoice than it does three. Less paperwork, fewer errors, less time and expense. It just adds up in your favor.

One-Stop Shop With Us.

**Let us be your full-time, day-to-day business partner.
We'll treat you like you're our only customer.**
